

2019

OPERATIONS at a glance

Contura Energy (NYSE: CTRA) is a Tennessee-based coal supplier with affiliate mining operations across major coal basins in Pennsylvania, Virginia and West Virginia.

With customers across the globe, high-quality reserves and significant port capacity, Contura reliably supplies both metallurgical coal to produce steel and thermal coal to generate power.

Contura Energy is committed to operating safely, efficiently, and responsibly, with customer service second-to-none and an ongoing focus on continuous improvement.

Contura has three reportable segments as shown below: CAPP - Met, CAPP - Thermal, and NAPP
65% ownership share in Dominion Terminal Associates (DTA)
